RAIN GARDEN
WORKSHOP &
INSTALLATION

WHEN:

September 9TH
9:00 - 2:30

WHAT?

Rain Gardens are designed to capture and slow rain water. They naturally treat runoff pollution while attracting birds, butterflies, and wildlife.

COST:

\$5.00

Includes lunch, snacks, and drinks

LEARN HOW TO DESIGN, INSTALL, AND MAINTAIN A RAIN GARDEN DURING THIS UNIQUE HANDS-ON WORKSHOP AND INSTALLATION

WORKSHOP

9:00 AM - 12:00 PM

Columbia County Conservation
District Office

Learn about rain gardens, design, plant selection, their benefits, and how to create one.

INSTALLATION

12:30 PM - 2:30 PM

Kocher Park
Light Street

Gain hands-on experience by helping to construct and install a local rain garden.
