POND AND STREAM DISCOVERY

This discovery pack is designed to help children and adults delve into the fascinating freshwater worlds of ponds and streams. The backpack includes the Acorn Naturalists 3x magnifier, 4x/6x two-way magnifying viewer, Golden Guide: Pond Life, Pondwatchers laminated field guide, One Small Square: Pond, a fine mesh dip net and standard mesh dip net, Acorn Naturalists drawstring cotton field bag, and Journaling at the Water's Edge, a field journal designed for explorers ages 8-13.

INTRO TO INSECTS

This field pack is designed for any location where "bugs" are present. It features the Acorn Naturalists 3x magnifier, Golden Guide to Insects, expandable Port-A-Bug field observation container, a magnifying bug jar, the Everything Bug Book, a durable wood-handled butterfly net, Peterson Butterflies Color-in book, and the field edition of Journeys through Journaling, all contained within a sturdy backpack. Engaging introduction to insects for children ages 7-11.

These materials were funded by the League of Women Voters of PA Citizen Education Fund under a grant from the PA Department of Environmental Protection for Drinking Water Source Water Protection administered by the US Environmental Protection Agency.
